The Supernatural—its Sources and Operations.

Price, with Index, 3s.

On the Divine Providence.

By EMANUEL SWEDENBORG.

A Brief Treatise of Divine Polity and Spiritual Ethics. The aim of this book is to

"Assert eternal Providence,
And justify the ways of God to man."

It presents a clear and thoroughly reasoned account of the sources and causes of the Divine spiritual-moral law; breathes throughout a spirit of true piety and profound reverence; abounds in views and illustrations of religious truths, marked by singular depth and beauty. A few opinions and statements occur which may, on a first perusal, excite surprise in readers unaccustomed to forms of thought so abstruse; but, after due reflection, they will all be found in harmony with the Author's sublime Christian thesis.

Truth of Doctrine and Innocency of Life.

Demy 8vo., cloth, 3s.

The Four Primary Doctrines

of the NEW JERUSALEM seen by ST. JOHN (Rev. xxi. 1, 2, 3, 5); namely, the Doctrine concerning—

- I. The Lord.
- II. The Sacred Scriptures.
- III. Faith.
- IV. Life.

By EMANUEL SWEDENBORG.

The above Treatises present, in a brief form, a four-fold rule and criterion of Christian Doctrine and Practice, in which the essential truths of Faith and laws of Holy Living are clearly and simply set forth. Important theological questions, on which the most divergent opinions prevail in the Church, are profoundly analysed and laid open to the attentive reader, in a truly rational light, derived, by just interpretation, from the WORD of God itself. The chief design of the author is to state explicitly the genuine faith of the Primitive Apostolic Church, in a form suited to the urgent intellectual needs of the present Age.

London: JAMES SPIERS, 36, Bloomsbury Street, W.C.
